Provided you use and care for the product properly and in accordance with our Dexion Office user manuals, if you purchase a Dexion Office product manufactured at our Australian Plant, you can rest easy as you will have the benefit of our 10 year warranty against faulty materials or workmanship. That means we will repair or replace any product or pay for the costs of doing so if you notify us within 10 years of the date of delivery, and provide us with all the information we need. The detailed warranty terms and conditions, and the Dexion Office manuals can be downloaded at www.dexionoffice.com.au.

For products manufactured by Spacesaver Corporation and Horizon, there is a 5 Year warranty.
